

## ECIS Community Service Awards Presented at the Annual Conference in Nice

*ECIS Awardees Tammie Gilbert and Mireille Rabate receive their awards at the Annual ECIS Conference in Nice, France.*

NICE, FRANCE / FOOTHILL RANCH, USA – The European Council of International Schools presented the Community Service Awards during the annual ECIS conference to Tammie Gilbert and Mireille Rabate.

ECIS and TieCare sponsor the Community Service Award to promote cross-cultural awareness and international education among school communities in all regions of the world.

Tammie Gilbert, from the Franconian International School, has initiated the World Challenge Northern Romania project. The World Challenge Northern Romania project aims to develop student awareness of rural communities in developing countries through creating relationships with the

Romanian community within the Erlangen region.

Mireille Rabate, from the French American International School, was honored for the From Local to Global project. The project connects students with service learning responsibilities locally and abroad. Student responsibilities include working with assisted living facilities to teach elderly how to use iPads, mentoring younger students, and international programs for the student to teach his/her native language and culture in a foreign country.

Congratulations to Tammie and Mireille for their outstanding projects! To learn more about the ECIS Community Service Awards, please [visit ECIS](#). To read more about TieCare International, please [visit TieCare News](#).

### Awards Sponsored by TieCare

As part of TieCare’s commitment to serve the specialized needs of the international educational community, TieCare provides several opportunities for students and teachers to receive awards for their extracurricular work. TieCare sponsors awards with the following school associations:
