

TieCare International is all smiles for ISMTEC 2013

All Smiles for TieCare: Regional Manager Stephen Boush at the TieCare International booth.

BANGKOK, Thailand (January 2013) – TieCare International exhibited at the International Science, Mathematics and Technology Conference (ISMTEC) 2013, which was held alongside the 21st Science, Mathematics and Technology Conference in School.

Thanks to all of the attendees who stopped by the TieCare booth to say hi. Our TieCare reps look forward to seeing everyone again at the next school association conference.

About TieCare International

TieCare International was founded to administer employee fringe benefits and to serve the specialized needs of the international educational community. For more than 30 years, TieCare has continually developed and implemented benefit programs that encompass health insurance through retirement planning.

As the global leader in providing fringe benefits to international educators, TieCare has written thousands of plans and covered tens of thousands of lives throughout the world.

At TieCare, providing you with the most comprehensive and cost-effective benefits backed by concrete customer service is our top priority.
